INFORMATION SERIES: COLLECTOR/DEALER LABELS

No. 3

Issued

A. v. KLIPSTEIN

7 June 1801 - 15 Apr 1895

Professor of Mineralogy at Giessen, 1836; he described Triassic faunas from the Dolomites : Beitrage zur Geologischen Kenntniss der östlichen Alpen (1843). In 1851 the BM(NH) purchased a considerable part of his collection including many of the figured Triassic invertebrates ; other material went to Budapest.
